To Any Federal, State and Local Authorities:

The President of the United States has issued "Coronavirus Guidelines for America" that states workers in a critical Infrastructure industry have a special responsibility to continue to work. The Cybersecurity and Infrastructure Security Agency (CISA) of the Department of Homeland Security has issued guidelines identifying Essential Critical Infrastructure workers

(<https://www.cisa.gov/sites/default/files/publications/CISA-Guidance-on-Essential-Critical-Infrastructure-Workers-1-20-2020.pdf>).

These guidelines include:

- Employees who repair and maintain vehicles, aircraft, rail equipment, marine vessels, and the equipment and infrastructure that enables operations that encompass movement of cargo and passengers
- Maritime transportation workers – port workers, mariners, equipment operators
- Petroleum workers:
 - Petroleum product storage, pipeline, marine transport, terminals, rail transport, road transport
 - Crude oil storage facilities, pipeline, and marine transport

The bearer of this letter is an Essential Critical Infrastructure Worker as defined by CISA and must travel to perform duties related to maintaining the operation of Essential Critical Infrastructure. Please provide clearance for the passage of this person to his/her designated duty assignment. Should you have questions or require verification, please call our Human Resources Department at 813-247-3153 (x171) or after normal business hours and weekends dial 813-247-3153 (x135).

Thank you,

John Gallagher
